To Whom It May Concern:

Re.: Project Lawns

Archbishop Carney Regional Secondary School has employed Project Lawns as our landscaper for the past seven years. We are very happy with their service and price.

Seven years ago, we needed a new landscaper for our 8 acre property. We held an open bidding competition and Project Lawns easily won. Their bid was very comprehensive as it contained details that other bids neglected to mention, in addition, their price was very competitive.

Now after seven years, I have no reservations giving my highest recommendation to Project Lawns. The service provided by Nathan and Melissa McKinnon is second to none; they are both professional and accommodating. On several occasions we have needed some special landscaping work done, in each case Nathan got the work done professionally, on time and on budget.

If I had another business that needed a landscaper, I would hire Project Lawns.

Sincerely,

Bill Anderson,
Vice-principal,
Archbishop Carney Regional High School
